

Now clean your hands!

BIOCIDAL
HANDSANITISER
STERI-7
NON ALCOHOL
KILLS: CLOSTRIDIUM DIFFICILE SPORES, MRSA, E.COLI, SALMONELLA, LISTERIA

Remember:

- Remove all jewellery before cleaning your hands and keep nails short and clean.
- Pay attention to thumbs, fingertips and between fingers.

Cleaning hands should be part of everyone's daily routine.

You should always clean:

- Before eating or handling food
- After using the toilet
- After blowing your nose, coughing or sneezing
- After touching animals or animal waste
- After handling rubbish
- After changing a nappy
- Before and after touching a sick or injured person
- Before and after visiting a hospital ward
