DO NOT induce vomiting! Rinse mouth out with water, but do not give anything to drink. Seek medical attention.

**Ingestion** May cause mild irritation to mucous membranes and other tissues.

**Inhalation**

Remove patient to fresh air, allow to rest and keep warm. If specific symptoms are evident, seek medical attention.

**Inhalation** No known hazard.

5. Fire Fighting Measures 12. Ecological Information

Extinguishing media Water, foam, carbon dioxide.

Fire & Explosion Product Not Flammable

Protective Measures N/A

Consideration of ingredients leads to a conclusion that the product will be not be hazardous to aquatic organisms.

6. Accidental Release Measures 13. Disposal Considerations

**SMALL** - Wipe with rag or rinse with clean water.

In case of large spills, wear suitable protective clothing and safety goggles. Absorb onto inert material such as sand or earth.

Dispose of as Controlled Waste, via a licensed contractor ensuring that all national and local authority requirements are complied with.

7. Handling And Storage 14. Transport Information

Avoid contact with eyes. Do not ingest. Storage Keep in original containers. Store between 0°C and 50°C. Protect from sunlight to avoid slight discolouration.

8. Personal Protection (Normal Use)

Not classified as dangerous for transport.

15. Regulatory Information

Goggles N/A Apron N/A

Gloves N/A Respirators N/A

Overalls N/A Barrier CRM N/A

9. Physical And Chemical Properties Keep away from children

**APPEARANCE** 16. Other Information

**ODOUR**

**pH**

**DENSITY @ 20°C**

**FLASH POINT**

**BOILING POINT**

**SOLUBILITY IN WATER**

**COLOURLESS TRANSPARENT LIQUID**

**NONE**

**6**

**1000**

**NOT FLAMMABLE**

**100**

**SOLUBLE**

10. Stability And Reactivity

Stable under normal conditions of use. Protect from freezing and temperatures above 50°C.

Information contained herein is provided in accordance with CHIP-2 Regulations. The product should not be used for purposes other than those shown in section 1. As conditions of use of the product are outside our control, the user is responsible for ensuring requirements of relevant legislation.
